the beauty of foulards has never been so well and fully exemplified as in the present showing, most of which are seen today for the first time.

A wonderful diversity within a very narrow range.

Detacht geometrical figures appear to be best adapted to Foulards, and they are used profusely in more variety-size, shape, color combinations and arrangement - than anyone would imagine.

There are tiny figures close togeth er, others far apart, and medium and larger figures in such a tractive form. as will quickly win your enthusiastic endorsement.

Dots, Diamonds, Rings, Spots, Links, Dashes, Scrolls, etc.—some have floral designs combined with them. Color effects quite different from

the Foulards of former seasons. White Printings in Colored Grounds, Black on Pastel shades, Colors on color, Cameo effects, multicolor figures in quiet tones and rainbow hues -combinations you've never seen be fore on Foulards.

It's a Foulard Silk Exposition without parallel in this store's eventful silk history. Price rar je of new Foulard Silks, 50c to \$1.25.
